

OUR PAM GETS THE RED ROSE

We were all very proud at Gainsborough House when one of our longest serving volunteers, Pam Spriggins was nominated for a Gainsborough Standard “Red Rose” award for all her hard work and commitment to our community centre. Not only did she receive a nomination she also won the prize for the Standard Rose 2008 , beating 9 other nominees and was thrilled when a photographer came to take her picture at the Friday Day Centre club’s Christmas lunch celebration on December 19th 2008.

Although “retired” she devotes most of her week to helping at the clubs and activities. She is known and loved by many people in the town and deserves to have this recognition.

Our volunteers are the backbone of Gainsborough House and on behalf of the Chairman and Board of directors we all wish Pam a heartfelt “Thank you” for all her hard work
